

THE LOCAL BURGER CO

THE MENU

We use fresh locally sourced ingredients, make our own pickles, sauces and syrups and serve our beef medium rare in classic style, coupled with condiments & sauces that we import from the USA.

To give you the ultimate in burgers, we make as much as we possibly can from scratch and only use the very best in free range eggs, chicken and sow stall free pork with our beef patties being minced daily from premium Australian chuck steak and brisket.

Now, remember that our beef burgers are served medium rare, so please ask if you would like to have it cooked through. We would be more than happy to oblige!

So.

A delectable collection of burgers cooked and built to gourmet perfection. For the aficionado no less. A simple rule to make nothing but the best in this everyday meal has created the very foundation that is The Local Burger Co.

We can go on and on about all the good things we put into our burgers but that would be stating the obvious.

We will let your tastebud's decide. And we know which way they will go. As we've previously stated. We put the 'extra' into extraordinary burgers...
