With its unique mixture of Portuguese and Chinese cultures, Macau makes an interesting day trip if you want to get away from the bustle of Hong Kong after a strenuous traveling itinerary. Although Macau’s rising reputation as a gambling Mecca - spurred by the grand openings of ever larger and grander casinos - is a major attraction for many, there are also beaches, fortresses, churches, temples, gardens, and excellent museums to explore.

Macau was the first and also the last European (Portugal) colony in Asia. Today, it is a Special Administrative Region of China and an official World Heritage Site inscribed by the World Heritage Committee. In addition, Macau is also known as the Monte Carlo of the East, with many
world famous casinos resorts, such as the Venetian, MGM and Wynn located in the city. We are offering you the luxury to experience both side of the city with our full day, Macau Excursion tour, ensuring you will get the most out of your precious time.
